

**UNIVERSITY OF TECHNOLOGY, JAMAICA
COLLEGE OF HEALTH SCIENCES
AND
THE BIO-TECH R&D INSTITUTE**

“2nd Health Professionals Conference”

“BIOTECHNOLOGIES IN HEALTH MANAGEMENT AND RESEARCH”

July 7-8, 2012

Topics of interest for oral and poster presentation include, but are not limited to:

- *Biopharmaceuticals*
- *Pharmacogeneomics*
- *Vaccines*
- *Nanopharmaceuticals*
- *Drug and Gene Delivery Systems*
- *Drug Safety and Efficacy*
- *Gene and cell Therapies*
- *Stem Cell Research*
- *Instrumentation*
- *Nutraceuticals*
- *Functional foods*
- *Diagnostics*
- *Bioethics and Biosafety*
- *Nanomedicine*
- *Biomedical engineering*
- *Tissue engineering*
- *Occupational risk and safety*
- *Regulation and labeling*
- *Communicable and non-communicable diseases*
- *Xenotransplants*
- *Xenogeneic infections*
- *Reproductive and therapeutic cloning*
- *Bioinformatics*
- *GMO's*
- *Environmental Biotechnologies*
- *Food Security and Safety*

Abstracts not exceeding 300 words should be submitted to criley@utech.edu.jm by January 30, 2012
