

# University of Technology, Jamaica

## Faculty of Law

### *Introduces the Law Degree with a Difference*

You can now earn a law degree  
without leaving Jamaica!!!

The **Bachelor of Laws (LL.B) degree** will be the first course of study offered by the Faculty of Law.

The law degree aims to provide learners of all backgrounds and abilities with the opportunity to explore and develop their interest in the law and legal system of Jamaica and the Caribbean Community (CARICOM).

The degree will take an **innovative approach to education, training and professional practice** teaching modules such as :

- **Entertainment law,**
- **Sports law,**
- **Intellectual Property**
- **International Trade Law**

The programme will be taught by a high quality cadre of local and international experts with interdisciplinary training and experience.
